## WORK EXPERIENCE

**Academic Integrity Office UCSD** **La Jolla, CA**  
*Peer Educator* April 2024 - Present

- Facilitates small group discussions to help students understand and internalize the learning objectives of Academic Integrity Office educational programming
- Provides constructive feedback on student performance during workshops and on assignments to guide improvement and ensure understanding.
- Maintains consistent communication with students and Education Coordinators, offering support both during and outside of scheduled sessions

**Private Tutoring** **Remote**  
*Mathematics Tutor* August 2023 – Present

- Provides one-on-one math tutoring to students and improved student performance by identifying and addressing gaps in understanding and reinforcing key math concepts
- Builds strong relationships with students and parents, fostering a supportive and motivating learning environment

**StudentNest** **Santa Ana, CA**  
*Academic Tutor* July 2024 - August 2024

- Tutored all high school subjects, but specialized in tutoring high school math, enhancing their understanding of high-level math concepts
- Provided instruction for high school students that come from lower income and marginalized groups
- Adapted teaching strategies to meet the needs of diverse learners, ensuring academic excellence

**Baskin Robbins** **Placentia, CA**  
*Crew Member* April 2022 – December 2022

- Provided excellent customer service by greeting guests, taking orders, and ensuring a friendly experience
- Collaborated with team members to ensure smooth operations during peak hours
- Prepared and served ice cream and beverages according to company standards, maintaining quality and consistency

## LEADERSHIP AND VOLUNTEER EXPERIENCE

**PAWS Club** **Placentia, CA**  
*President* September 2021 – June 2023

- Showcased exceptional leadership skills by leading volunteering opportunities for 75+ high school students, resulting in the revamping of local, under-funded animal shelters and enhancing animals' living conditions
- Raised \$2000+ for non-profit organizations focused on animals by organizing a bake sale

## SKILLS AND INTERESTS

**Technical Skills:** Familiar with Python, Java, SQL, Microsoft Excel, R, Pandas, JavaScript, HTML, CSS, MATLAB

**Languages:** English (Native), Cantonese (Proficient), French (Basic)
